### “Software Agents and Multi-agent Systems”

Tech Craft Corps Club of the Department of Computer Applications organized a Guest Lecture on **“Software Agents and Multi-agent Systems”** on 27th January 2017. The learned scholar Dr. Harjot kaur, Department of Computer Science & Engineering, GNDU, Regional Campus Gurdaspur was the resource person. In her lecture she started with the Introduction of Agent, Intelligent Agent, and classification of Agent followed by kind of Environment. She also discussed close relationship of Agent with Environment and further identified the challenges in it and then explored the future opportunities available. The talk was very informative and well appreciated by the students and faculty members.
