## GLOBAL ALUMNI MEETS

With a focus to build and strengthen bond with Alumni, Global Institutes organized various alumni meets at different locations like Delhi-NCR, Pune, Bangalore, Hyderabad. During these alumni meets, alumni of Global Institutes shared their experiences while studying at Global Institutes, discussed about their favorite batch-mates, favorite professors and many more. Various objectives to organize these Global Alumni Meets are as follows:

- To promote interaction amongst members and to serve as a link between Global Institutes and its AlmaMater
- To assist the alma to excel academically and providing all kind of support like equipments, providing infrastructure etc, for the upliftment of the institute wheneverrequired.
- To organize Welfare Services for its members, students and humanity atlarge.
- To organize alumni meets in different parts of thecountry.
- To encourage formation of Chapters of Global Alumni Association in cities/states of India and in othercountries.
