## MEMORANDUM OF UNDERSTANDING

BETWEEN

ARKANSAS STATE UNIVERSITY, U.S.A.

AND

GLOBAL INSTITUTES AMRITSAR, PB (INDIA)

This Memorandum of Understanding (MOU) outlines the intentions of the Arkansas State University (ASU) and GLOBAL INSTITUTES AMRITSAR, PB (INDIA) to establish a long-term cooperation envisaged to create mutually advantageous relationships.

The implementation of this MOU is contingent upon full satisfaction of the requirements and expectations of the appropriate faculty governance; upon the approval of the proposal by the executive officers of both universities; and, where appropriate, by the Universities' Board of Trustees.

Any suggestions for changes in the substance or scope of this Memorandum of Understanding should be presented, in writing, by the signatories making the proposal at least 6 (six) months prior to the end of the academic year in progress.

### **Legal and Financial Status of Memorandum of Agreement**

- Neither this Memorandum nor any following agreement is a contract to create legal and/or financial obligation outside those financial and logistical arrangements specifically listed in the General Conditions of this memorandum. This Memorandum and its subsequent agreements are designed solely to facilitate the development of mutually beneficial and collaborative initiatives.
- Notwithstanding any other provisions of this Memorandum of Understanding or any agreement concluded in pursuance thereof, no agency is created between the parties.
- Parties using their existing resources shall share all costs associated with the implementation Of this MOU ASU and GLOBAL INSTITUTES AMRITSAR, PB (INDIA)

- May refer to this program in their catalogs and other appropriate publications.  
ASU representative Mr. Rajan will serve as the liaison between ASU and GLOBAL INSTITUTES AMRITSAR, PB (INDIA).
- He will assist with presentation of information and assist with student application process.
- This Memorandum of Understanding is to be in effect with the 2015-2016 academic year and will be valid for duration of five (5) years.

This MOU will become effective immediately upon its ratification by individuals who have authority to execute such agreements at the two institutions and after they have obtained any necessary confirmation by the internal curricular bodies of the partner institutions and by the appropriate higher authorities of the respective countries. Either institution may terminate this MOU at any time. In so doing, the duty authorized representative of the Institution initiating such action shall give written notice to the other party at least six (6) months prior to the end of the academic year than in progress, unless the parties mutually agree upon an earlier termination date. Nothing in this clause, however, shall be interpreted to the detriment of any student.

It has MOU with many National & International organizations for academic, research, faculty development, student exchange etc programs. Students are from different states of India and international countries Nepal, Bangladesh, Afganistan, Ghana etc. Excellent ambience for academics & sports attract students to these institutes in the complex.

This Memorandum of Understanding (MOU) is made between Eternal University, Baru Sahib, Himachal Pradesh and Global Group of Institutes, Amritsar- Jammu High way, Amritsar to promote academic and research cooperation and the development of these two institutions as Centres of Excellence of higher and technical education and scientific research. The two institutions agree to the following broad terms of cooperation:

1. Both the institutions will support each other's endeavors in delivery of academic programmes and research activities through the following but not limited to:
  - (i) Exchange of scientific and technical information
  - (ii) Joint supervision of Postgraduate and Ph.D. students.
  - (iii) Undertaking collaborative research activities through participation in nationally and internationally funded projects.
  - (iv) Jointly organize events such as seminars, workshops, conferences and training programs
  - (v) Training of students of both institutions as per the facilities and resources available
  - (vi) Any other objective as agreed upon in writing by both the institutions
2. Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
3. The MoU remains in place for a period of five years from the date of signing of the agreement and may be renewed for a further period of five years or such time period as may be agreed upon by both the parties in writing.
4. No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.
5. The terms of this MoU may be modified/amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
6. The MoU may be terminated by either party by giving 3 months written notice. In the event of termination, both the parties shall ensure that the interests of students/ongoing projects under this MoU are safeguarded to the extent possible.

### **Responsibilities of the Parties**

Both parties mutually agree to identify various areas of interest and depute faculty/staff as per the requirements with mutual consent. The inviting institution shall meet the travelling expenditure and any honorarium/remuneration as may be applicable. The inviting institution shall make necessary boarding and lodging arrangements for the deputed person.

Both the institutions shall identify for accomplishing the above laid down objectives. Each party shall attempt to make such faculty available as and when required.

Both the institutions shall organize regular faculty interactions/meets to promote research interaction and collaboration among their faculty members. These meets may be organized for entire institute or specific to any department or school as per mutual convenience.

Every individual research collaboration will have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.

In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the signatories (or any higher officials deputed) of both the institutions. All such decisions shall take into account the status of students/ongoing projects under this arrangement and the interest of such students/projects shall be guarded as much as possible.
