#### **Departmental Activities**

1. Quiz Competition: The Objective of the event was to assess the technical knowledge of participants. Involving them in friendly competitions in college is another way to motivate them. Being part of healthy competitions helps to improve their positivity and they learn to appreciate and accept the success of others too.

(Approved by AICTE, PCI and Affiliated to IKGPTU, Jalandhar)

**2. Debate competition**: Institute has organized debate competition which helps the students confidently present their views and thoughts regarding the topics given to them. It is an organized argument or contest of ideas in which the participants discuss a topic from two opposing sides.

(Approved by AICTE, PCI and Affiliated to IKGPTU, Jalandhar)

**3. Group discussion:** It is a platform which gives the opportunity for young aspiring minds to put their opinions, innovative ideas, and suggestions on table. Apart from being a healthy discussion, it also acts as a tool to enhance the speaking, idea generation and leadership skills of students.

(Approved by AICTE, PCI and Affiliated to IKGPTU, Jalandhar)

**4. Industrial Visit**: Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum. The objective of an industrial visit is to provide them an insight regarding internal working of companies. It provided them an opportunity to learn practically through interaction, working methods and employment practices.

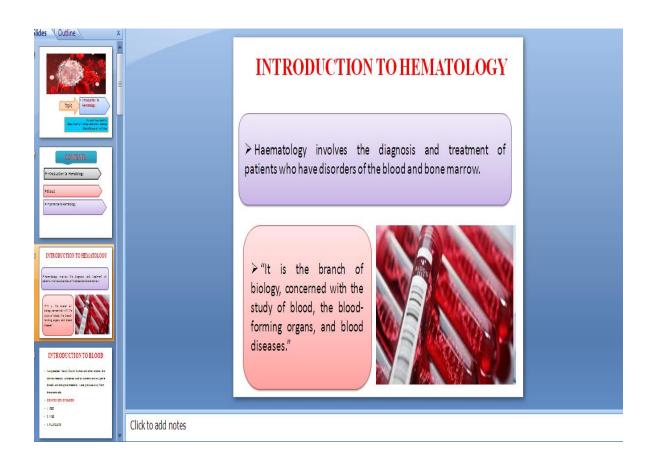

(Approved by AICTE, PCI and Affiliated to IKGPTU, Jalandhar)

**5. Presentations:** A presentation is a channel for students to share with others what they have learned. Presentations skills help create innovative ideas when students come up with creative and interesting slides to illustrate their talk.

(Approved by AICTE, PCI and Affiliated to IKGPTU, Jalandhar)

**6. Seminar/Webinar:** Institute has organized various seminar and webinar for students. The expert talk aim was to get the students to gather knowledge about upcoming technologies and share their ideas and findings with the rest of their departmental fellows.
