Particular to our college we have a Grievance cell in place to handle individual concerns with respect to evaluation and other grievances:

**GRIEVANCE AND REDRESSAL CELL**

Home » About » Committees » Grievance and Redressal Cell

In order to redress individual as well as collective grievances of the students and staff of the institute, a grievance redressal cell has been formed.

A grievance may be any kind of discontent or dissatisfaction or negative perception, whether expressed or not, arising out of anything connected with university that a student or staff thinks, or even feels, is unfair, unjust or inequitable. Any grievance /complaint relating to sexual harassment will not be covered under these rules as there is a separate mechanism for addressing such matters by CASH (Committee Against Sexual Harassment).
