This Memorandum of Understanding (MOU) is made between Eternal University, Baru Sahib, Himachal Pradesh and Global Group of Institutes, Amritsar- Jammu High way, Amritsar to promote academic and research cooperation and the development of these two institutions as Centres of Excellence of higher and technical education and scientific research. The two institutions agree to the following broad terms of cooperation:

 Both the institutions will support each other's endeavors in delivery of academic programmes and research activities through the following but not limited to:

(i) Exchange of scientific and technical information

(ii) Joint supervision of Postgraduate and Ph.D. students.

 (iii) Undertaking collaborative research activities through participation in nationally and internationally funded projects.

 Jointly organize events such as seminars, workshops, conferences and training programs

 Training of students of both institutions as per the facilities and resources available

vi) Any other objective as agreed upon in writing by both the institutions

 Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.

 The MoU remains in place for a period of five years from the date of signing of the agreement and may be renewed for a further period of five years or such time

period as may be agreed upon by both the parties in writing.

No party shall have the right to use the name or logo of another party without the

prior approval of that party in writing.

 The terms of this MoU may be modified/amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.

6. The MoU may be terminated by either party by giving 3 months written notice. In the event of termination, both the parties shall ensure that the interests of students/ongoing projects under this MoU are safeguarded to the extent possible.

Responsibilities of the Parties

Both parties mutually agree to identify various areas of interest and depute faculty/staff as per the requirements with mutual consent. The inviting institution shall meet the travelling expenditure and any honorarium/remuneration as may be applicable. The inviting institution shall make necessary boarding and lodging arrangements for the deputed person.

Both the institutions shall identify for accomplishing the above laid down objectives.

Each party shall attempt to make such faculty available as and when required.

Both the institutions shall organize regular faculty interactions/meets to promote research interaction and collaboration among their faculty members. These meets may be organized for entire institute or specific to any department or school as per mutual convenience.

Every individual research collaboration will have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.

In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the signatories (or any higher officials deputed) of both the institutions. All such decisions shall take into account the status of students/ongoing projects under this arrangement and the interest of such students/projects shall be guarded as much as possible.

Now, based on the aforementioned promise(s) the parties put their signatures on this MoU on 19th April 2019.
