The Green Campus Policy

Scope of the Policy: The Green Campus Policy will develop exciting new co-curricular and extra-curricular practices that encourage students to take the lead in creating positive change. These initiatives call for a thorough review of all infrastructural and administrative functions from the standpoints of energy efficiency, sustainability and the environment. The focus areas of this policy are:

- **Restricted Entry of Automobiles Initiatives**
- **Pedestrian Friendly Pathways**
- **Use of Bicycles/ Battery Powered Vehicles**
- **Plastic-Free Campus**
- **Landscaping Initiatives**

Objectives of the Policy:

- To protect and conserve ecological systems and resources within the campus.
- To reduce the pollution in the campus.
- To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- To work with all stakeholders and the local community to raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- To continuously improve our contribution to climate protection and adaptation to climate change and to the conservation of global resources.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To make the campus plastic free.

Policy:

For Clean Campus Initiatives, GGI has pledged to actively coordinate cleanliness activities in the Institute and beyond the campus in accordance with the vision of Green campus. It commits to continue with this Programme. The broad vision is as follows:

1. Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives. The idea is to motivate them to contribute in a proactive manner.
2. Keeping in the view of the environment policy, the institute has taken the initiative to use bicycles/battery powered vehicles.
