INSTITUTIONAL DISTINCTIVENESS

The campus of our institutes has lush green surroundings which has a spread over a land piece of 24 acres. Apart from having pollution free area, it has beautiful infrastructural developments in its covered area which describes its distinctiveness. Global Group of Institutes (GGI) after merger as per AICTE Scheme is providing multidisciplinary education in the field of Mechanical Engineering, Civil Engineering, Management, Pharmacy, Hotel & Tourism Management, Para-Medical and Agriculture etc. With the development in its infrastructure such as: latest labs for computer sciences, well equipped kitchens in the Hotel Management Department, laboratories for Pharmacy Block, classrooms and hostels with all facilities, Reception Desk, Administration Block and well furnished waiting areas, this institute is continuously making an effort to provide a comfortable stay within the campus.

In this way, the institutes in its huge campus are catering to the needs of society with its own attributes which makes it 'distinct'.

This infrastructural development is the highlighting feature of the succeeding strengths of the institutes and consists of attributes like:

- **Blocks and Buildings:** The institutes have ultra modern buildings, labs equipped with latest machines and equipments, air conditioned auditorium, conference halls and class rooms, playgrounds for all major sports, gymnasium, facilities for indoor games and cafeteria etc. which makes the campus a richly liveable and lovable place to get wholesome education. Air-cooled rooms with attached bathrooms and hot-water geyser facility are available in the institute's hostels. Fully furnished guest house is available in the campus for official guests.
- **Laboratories:** In order to provide hands on training and practical exposure to the students, the institute is going beyond the syllabus prescribed by the IKGPTU and has made centres of excellence in various departments.
 - **Department of Engineering:** High Performance Automobiles, R & D Lab and Industrial Automation, Big Data and Mobile Computing and Cloud Computing

Global Group of Institutes

Labs have been developed with an aim to equip the learners with latest technological changes.

- **Department of Hotel Management:** To facilitate the experiential learning and to enhance the practical abilities of the students, the Department of Hotel Management provides state-of-the-art infrastructure. As per industry requirement various labs are housed in the department such as: Modular Kitchens, Food and Beverage, Front office, Housekeeping and Bakery. There are two restaurants namely; Basic Advance Restaurant having 30 covers and Advance Training Restaurant having 40 covers which demonstrate the real life experience to hospitality students.
 - **Department of Agriculture:** Students are awarded extra credit for hands-on training and experiential learning by being assigned live projects in various labs of Vermi-compost Unit, Pisciculture, Mushroom Cultivation, Bee Keeping and Green House.
 - **Department of Pharmacy:** The Pharmacy Department has several laboratories for conducting practical as per the requirement of Pharmacy Council of India (PCI). Blood sampling and testing are performed where students get exposure to meet any industrial/ real life challenge under the guidance of their teachers.
- **Construction of Stable for Horse Riding:** The institutes are first and only of its kind in the region to start a Horse Riding Club in its campus.
 - **Construction of On-Campus Fuel Station:** The institute has installed a filling station (Indian Oil) within its campus. It caters to the needs of all institute buses, cars and generator set. Staff of the institutes can also avail the facility to get fuel at subsidized rates.
 - **Improvements in Existing Infrastructure Plan:** The institutes have upgraded various laboratories, renovated class rooms into smart class rooms and refurnished offices. As per the industry requirement and new curriculum of IKGPTU two new labs have been established in Department of Computer Science & Engineering and one Aseptic room as per the requirement of Pharmacy Council of India (PCI) in the Pharmacy Department.

- **Infrastructural Development:** Expansion of residential facilities for students coming from other states and countries has been done.
- **Indoor Games and Playgrounds for Outdoor Games:** Provision for Table Tennis, Chess, Basket ball, Cricket ground and Football ground is another feature of the institutes to encourage students for participation in various games.
- **Gymnasium:** As per the saying “**A Healthy mind resides in a Healthy Body**” institutes provide well equipped gym facilities to all the students. The gym provides an ideal atmosphere for the students to provide overall and sound development.
- **Pandemic Precautionary Measures:** Even in the challenging days of Pandemic, the management has put all its efforts to continue with the quality delivery of educational services during online teaching with excellent networking facility. Also, during offline mode, the GGI Management made timely efforts which include various initiatives such as installation of sanitizer stands at prime locations in the campus and vaccination of the entire staff.

Hence, these distinct features are echoed in all our actions and provide a cordial Environment to inter-state and foreign students for joining the GGI educational campus.
