Global Institute of Management & Emerging Technologies, Amritsar

About GIMET

Global Institute of Management & Emerging Technologies, Amritsar came up on the educational horizon of Punjab in 2008. The Institute is taking quantum leaps in Management and Technical streams. Global Institute of Management and Emerging Technologies' (GIMET) building is surrounded by sylvan green and eco-friendly environment. This Institute is approved by All India Council for Technical Education, New Delhi and affiliated with Punjab Technical University, Jalandhar. Run on TQM and Six Sigma principles, the Institute fosters creativity, innovation and talent in their most significant stakeholders—the students and the faculty. GIMET has already become a brand name in quality education and a mark of excellence on the strength of the trail-blazing achievements of their students in Punjab Technical University Exams, year after year.

Vision

- To emerge as a leader among professional Institutions in providing meaningful, relevant and character-building education and to provide equal opportunity to everyone, irrespective of race, gender and ethnic group.
- Sikh Guru Sahiban's 'Sarbat Da Bhala' (Welfare for all) shall be the guiding force for Global Institutes.

Mission

- ✓ Providing affordable high quality, professional education to the youth with a special focus on values.
- ✓ Preparing students intellectually and psychologically to face the challenges of the globalized environment.
- ✓ To promote and encourage research in engineering, science and management.

About IKGPTU

I.K. Gujral Punjab Technical University (IKGPTU) was established in the Year 1997 under the Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab. PTU is providing education to approximately 5 lac students in the fields of Engineering, Management, Architecture and Pharmacy.

Objectives of the Programme

The major objectives kept in mind while framing this Faculty Development Programme are as follows:

- How to define research problems and framework?
- How to convert research ideas into research problems?
- Understanding the Research Design Process.
- How to identify the sources of literature?

- Discussing appropriate statistical techniques to test hypotheses.
- Getting Hands-on experience on statistical software such as SPSS/ Minitab/SAS etc.
- How to draw better conclusions from the analysis?

Eligibility

AICTE approved Engineering colleges /University / Deemed University faculty members and UG/PG students

Registration Procedure & Fee

There will be no registration fee for academic faculty members and students. Participants have to send completely filled registration form to the coordinator by speed post or by email. Selected participants will be intimated over the mail.

Important Dates
