Message From Chairman

Dr. B S Chandi
Chairman

It gives me immense pleasure to place the new bulletin of Global News in your hands. A mere glance at this issue would help the readers to get an overview of the multifarious activities conducted at the Institute.

Global Group of Institutes embarked on its sacred mission to spread the light of quality education in the year 2008 and since then it is constantly pursuing its vision and mission with full commitment and dedication.

By imparting holistic education to the students of the region in particular and from various parts of India and other countries, the Institute is ascending the heights of glory and striving to achieve its goal of delivering excellence in academics.

The campus of the Global Group of Institutes is ideally located on the Amritsar - Jammu National Highway and presents an unmatched aura of educational environment with its 29 acres of lush green pollution free expanse of land where the buildings are aesthetically designed.

We have multi storey well furnished separate hostels for boys and girls. There are excellent arrangements for outdoor and indoor games such as Cricket, Football, Volleyball, Basketball, Table-Tennis etc. The playgrounds and other facilities conform to International standards. We also have world class ultra modern gymnasium and hygienic Kitchens in the Hostels and Restaurant that adds to the ambience pervading through the campus for the comfort of the students.

The quality education is dispensed in the modern classrooms and fully equipped laboratories. Our main library and departmental libraries are well stocked providing congenial atmosphere for studies.

Message From Vice Chairman

Dr. Akashdeep Singh
Vice Chairman

B.Tech(ME), MBA, Ph.D

It is my proud privilege to share with you the latest Global Newsletter. At the outset, I am delighted to inform you that our Institute has been accredited with Grade A⁺ by National Assessment and Accreditation Council (NAAC). All this has become possible with the holistic approach, transparent and ethical practices followed by us towards overall development of the students. The hardwork and conscientious efforts put in by the faculty and the creative intellect of the students contributed to securing top ranks in the IKG PTU examinations. I appreciate the various achievements of the students in academics, sports and co-curricular activities too.

We encourage the students to participate in real time projects through Institution-Industry interactions and constantly pursue and guide them through our Training and Placement Cell. A large number of placements bear testimony to the fact that the joint and sincere efforts by all the departments to pursue the vision of a strong and vibrant entity, has resulted in the Global Institutes becoming the first choice of the students in a short span of 15 years.

The Global Group of Institutes adheres to its sacred commitment to provide the best in quality education and is marching ahead to attain its mission and vision to become the leader of Technical & Management Institutes of Northern India with its dynamic leadership.

The present issue of Global Newsletter brings out in brief the educational, extra- curricular and sports activities undertaken in the year gone by. It also portray a few glimpses of the qualitative and creative endeavors in research, work ethics and other academic activities carried out by various departments.

We, at the Global Group of Institutes, put in sincere efforts to cater to the requirements of the industry and corporate houses by preparing future professional leaders, brilliant technocrats and managers who would be steering the growth wheels of a Nation striving to become a developed country.

Message From Campus Director

Greetings and a very warm welcome to Global Group of Institutes!

The Global Group of Institutes started its educational journey with the vision to achieve a, 'Distinctive Leadership through Excellence in Value based Emerging Technologies and Management Education'. The ultimate aim of the Institute is to realise its mission of providing the best Teaching -Learning & Research opportunities to students and academicians alike. The Institute continues to provide the best infrastructure in the form of air conditioned digital smart classrooms equipped with high speed internet through fiber cable connectivity and ultra modern labs with state of the art equipment. The Institute and all the stakeholders associated with it work assiduously towards developing a global outlook in teaching, learning, executing education and research across inter disciplinary programmes. More than 6000 alumni are contributing in different organisations including Government, Social Sector and Industries across India and the World.

Our Institute has the unique distinction of being accredited with Grade A⁺ under UGC by NAAC amongst all the technical Institutes in this region. This rare achievement has been possible with the best infrastructure, quality education delivery, placement, stakeholders satisfaction, consistent upgradation and other high quality parameters in place at the Global Institutes.

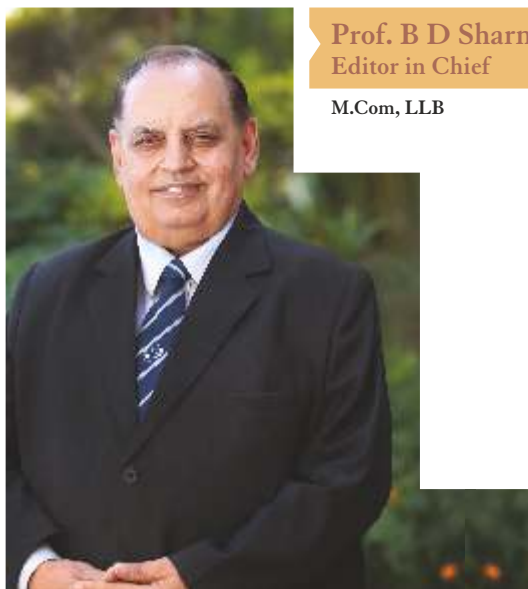

The Institute regularly invites eminent academicians, professionals from reputed industries and experts from research organisations to update the students and faculty with dynamic technological developments taking place. The students, apart from classroom teaching are regularly sent to visit Industries and Corporates to give them practical exposure relevant to their programmes and studies. New courses are included in different programmes every year to make the students familiar with the latest technologies required to face the cut throat competition in professional world. The students are delivered class room content through digital mode as well as through smart board and conventional methods.

The Institute conducts Alumni meets to get feedback from the old students serving across the globe for further improvements in academics and other related areas based on their experiences and as per the societal expectations.

Dear Readers

Greetings to you !!

Welcome to the current issue of Global Newsletter. Global Group of Institutes publishes its Newsletter "Global News" every year. It showcases the various events, happenings, achievements, results, placements, sports activities, extra-curricular activities etc.

Our institute has not only maintained its glorious tradition of excellence in academics, sports and co-curricular activities but also contributed immensely towards our commitment to social responsibilities by extending our hands to the needy and the less privileged. It is a matter of great satisfaction that the students response for admission to our institute has been tremendous in the current academic year.

The students from diverse backgrounds and different cultures are studying in our campus which represents a bouquet of unity in diversity. A large number of students are coming from other states. In addition, there is an overwhelming response for admissions from different parts of Punjab.

I heartily convey my best wishes to the readers. I am confident that you will have a kaleidoscopic view of events and activities taking place in the campus of Global Group of Institutes.

I am confident that you will find this newsletter very informative and knowledgeable. I fully appreciate the efforts put in by the entire team of Editorial Board in bringing out this issue of the Global News.

Message From Deans

Dr. P. K. Sharma
Dean (Student Welfare)

M.Sc., M.Phil., Ph.D (Maths)

I extend my greetings to all the students of Global Group of Institutes. The office of the Dean Students Welfare plays a pivotal role in day to day campus life of the students and functions as a hub to

conduct various activities aimed at promoting cooperation and an atmosphere of cordiality and friendship among them. The students are provided all encouragement and guidance during their stay on the campus mentor them to succeed in their future professional journey.

We regularly organise cultural activities on the campus like Aagaaz, Rukhsat, Welcome and Farewell functions respectively as well as Srishti, an inter school competition and Youth Festival Udaan, an Inter College fest for the students from all over the region. Host of other co curricular events are organised to hone cultural and technical skills of the students. We keep a constant watch on the conduct of the students to maintain strict discipline on the campus and in classrooms. My office assists the students by guiding them and providing requisite support by helping them to avail various scholarships and welfare benefits in place and pursue their studies without worrying about financial constraints.

We endeavour to provide every opportunity to the students by ensuring an environment based on service, engagement and learning as its core values. Special stress is laid on forming subject related societies and monitor their progress on a regular basis besides enforcing discipline and taking every care for the safety of the students. Global Group of Institutes encourages its students at every stage to help them grow into informed and better citizens.

The office of the DSW is ever ready and eager to help students in facing the challenges that they encounter during their stay at the campus.

Lt. Col. Sudhir Bahel (Retd)
Dean (Training & Placement)

M.Tech. (IIT Bombay)

We, in the Training and Placement Department, with an aim of bridging the gap between academia and industry, have been focusing on industry academic interface

programs in collaboration with leading industries in various sectors.

At Global Institutes, we proudly boast of providing our students with a wide range of training programs aimed at enhancing their employability skills, as well as providing them with many curricular and extra-curricular events to ignite their minds. Also, with the intent of enhancing opportunities of further studies in world class universities, we have signed MoUs with leading international universities.

Over the years, our students have excelled in the industry and the belief has been reinforced by the consistent faith of recruiters in offering our students diverse and key roles in the organizations. We are confident that they would be able to adapt to various challenging situations with confidence and ease and surpass all expectations when it comes to fulfilling the organizational objectives.

We highly value our partnership with recruiters, alumni and well-wishers and would appreciate if our students are provided an opportunity to showcase their skills and abilities in organizations of repute. Our students have been placed at leading MNC's and many other companies of repute like, Infosys, TCS, Axis Bank, Alkem and Mankind to name a few. Similarly the students of the Institute have been selected in Government Departments like PWD, PWSSB and PSPCL etc.

We invite all prospective employers to our campus for recruitment process and ensure that they get our whole-hearted support and cooperation while conducting placement drives at the Institute.
