INVITATION

Dear Sir/Madam,

We would like to cordially invite you to participate in the International Conference on "Innovation, Sustainability & Research Excellence in Engineering, Management, Allied Health Sciences, Hospitality & Legal studies" which will be held on 20th February, 2026 in Amritsar, Punjab, India. This Forum enables researchers to freely discuss, debate, and defend their results of the benefits of Engineering, Science & Management & Legal Studies stakeholders through presentation of their innovative research discoveries. We welcome all the Scientists, Research scholars, Industrial professionals, Technologists and Delegates from Engineering, Science, Management & Legal Sectors and to be part of the International Conference. It is open to all types of Research Methodologies both from Academia and Industry. The meeting is all set to be adorned by world renowned speakers. All those who are either starting their career or an old-time Professionals can attend this conference to learn and get galvanized. We are looking forward to welcome you all in International Conference.

About the Global Group of Institutes

Our institutes are dedicated to fulfilling the needs of both the Indian and overseas industries, research, and educational institutions. Global Group of Institutes- Amritsar has been accredited by NAAC Grade A+. Education plays a vital role in the development of any nation. Therefore, there is a premium on both quantity (increased access) and quality (relevance and excellence of academic programmes offered) of higher education. The Institutes offer undergraduate, postgraduate programs in Engineering, Law, Management, Pharmacy, Para Medical and Computer Applications. These programs are recognized by the All-India Council for Technical Education and Pharmacy Council of India, Bar Council of India and affiliated with IKG-Punjab Technical University Jalandhar, Guru Nanak Dev University. Global Group of Institutes has also recognition under section 2(f) of UGC act, 1956 under the head " Non-Government colleges teaching upto Master's degree".

Objective of the Conference

The primary goal of this "Innovation, Sustainability & Research Excellence in Engineering, Management, Biomedical Sciences, Hospitality & Legal studies (ICISREEMBHLS-2026)" is really to bring science, technology, management & Legal Studies areas of research together on the same unified platform. These sessions will bring together great scientific research workshops from various fields to share their new research findings and theories. It focuses on the current issues and trends in both the academia and industry and the various facets of their interconnectedness. This International conference would foster research presentation, journal, publication and professional development. The sole target of this conference is to bring together innovative approaches to produce good solutions.
